

The Connecticut Tax Resolution Service defends you against the IRS to get your tax problems resolved

The Connecticut Tax Resolution Service is a tax resolution firm serving clients locally and across the country with compassion and without judgement. Your case will receive the personal attention of a CPA, as well as an Enrolled Agent, licensed to represent you before the IRS and your state taxing authority.

Unlike some national firms, the Connecticut Tax Resolution Service will not offer you options that are unrealistic. We will sit down with you for a thorough interview, review your IRS transcripts, analyze your financial situation, explain what we found, and recommend the resolution with the greatest likelihood of being accepted by the IRS.

There is no reason to lose any more sleep over problems with the IRS. They can be resolved. Give us a call today, or send us an email, to set up a free initial consultation.

Are IRS threats and notices ruining your life?

We Have a Plan

THE TOOLS WE USE:

Installment Agreement

Is the amount the IRS claims you owe insurmountable? We will negotiate a long term payment plan on your behalf. Then you can relax.

Innocent Spouse Relief

If your spouse or ex-spouse has caused your problem with the IRS due to no fault of your own, you may be eligible for innocent spouse relief.

Offer In Compromise

If you meet the right financial conditions you may be a candidate for an Offer In Compromise and settle with the IRS for "pennies on the dollar".

Audit Assistance

If a mistake, omission or disagreement on your tax return led to an audit, let us represent you against incorrect claims by the IRS.

Currently Not Collectible

If our analysis shows you cannot meet your monthly household expenses, you may be eligible to have your tax bill deemed currently not collectible.

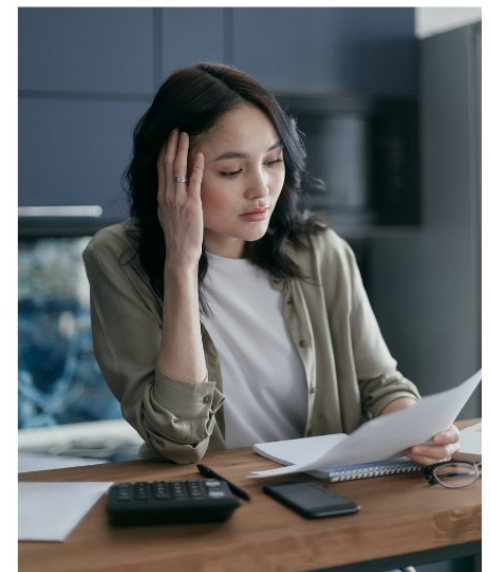

Penalty Abatement

Sometimes the penalties accrued on a tax debt can be reduced or even removed. Let us attempt to get them abated in whole or in part.

Ignoring the IRS may be the worst decision you can make. Your problem will not disappear. It will only get worse. Call us now to help.

We have a plan.

Few problems in life are more stressful than the threat of having the IRS seize the assets you worked so hard to obtain. There is a way out of this stressful situation. Call the Connecticut Tax Resolution Service now to schedule a free consultation. We have a plan to get your IRS problems resolved.
